MIDDLEBURY COLLEGE

Closing of a Successful Summer Session.

The fourth and most successful Summer Session of the college came to a close with the examinations on Thursday and Friday. The last social event of the session was a musicale given at Pearson's Hall Wednesday evening under the direction of Mrs. Ratti. There was an appreciative audience of students and townspeople present who listened to a delightful program, which follows: Piano solo, "The Rustle of Spring," Mrs. McGilton; female quartette, "The Rosary," Misses Colburn, Goeve, Hatch and Sterling; vocal solo, "Kashmiri Song," Mrs. Ratti; reading, Mr. Richmond; vocal solo, "Bendemeer's Stream," Miss Averill; duet, "Schubert's Serenade," Mrs. Ratti and Mr. Bachmann; piano solos, "On Quiet Woodland Paths," and Stavenhagen's "Mennetto Scherzando," Miss Averill; reading, Mr. Davison; duet, "Passage Birds" Farwell, Miss Colburn and Mrs. Ratti; chorus, "Good Night, Beloved." After the musical entertainment there was a social hour and dance at which the patronesses were Mrs. Cunningham, Mrs. Bachmann, Mrs. Payne, Miss Hall and Miss Spaulding.

On Tuesday afternoon Professor McFarland gave a talk in the Hemicycle in explanation of the Montessori Didactic Apparatus. In the evening Dr. Cunningham gave an illustrated lecture on the Central Nervous System considered from the point of view of psychology.

There was a display at Marshall's store Wednesday and Thursday of designs and drawings done by the art pupils. The exhibition was under the direction of Miss Hall, instructor in drawing.

Special Village Meeting.

A second special village meeting called for the purpose to see if the village will vote an additional appropriation for the construction of permanent roads, will take place at the town hall this evening at 8 o'clock. The proposition is, as we understand, to borrow \$12,000 for this purpose. As the village owes at the present time very near or quite \$150,000, we do not believe that this will be thought desirable. Every taxpayer should be present.

Century Club Course.

The course is made up of four evenings of entertainment and is as follows: October 16, The Musical Review; November 13, The Whitney Company; December 11, The Floyds; January 15, Ex-Governor Hanly. These are all high-class artists in their line and come highly recommended through the entertainment bureau in Boston. The Century club feel satisfied that they have made good selections for their coming entertainments and promise to please all who attend.
